Preface

National conference on "Re-envisioning Library and Information Services in the Agile Era" is Jointly organized by the Department of Library and Information Science&University Library Gujarat University, Ahmedabad, Gujarat, India, on 9th & 10th of January 2023.

Re-envisioning of library and information services has been transforming the nature of library services and its management and revolutionized the scope of Library and Information science field. In this direction the conference was planned to provides a platform for discussion on trends, challenges and future use of library and information services. This conference was intended for academicians, LIS professionals, librarians, and researchers to engage in discussion based on issues related to the dynamic and challenging world of library and information science. The conference also facilitates interaction, discussion, and deliberations among the professionals towards widening the horizons of library and information science in the ever-changing dynamics of information and services management.

The purpose of the conference was to be a major platform for offering glimpses and dimensions of library and information science in the backdrop of recent advancement in the library science & technologies and its allied technical, practical, and social issues in form of technical papers, conceptual papers, case studies, research reports and experience of professionals and researchers. The papers included in the proceeding have a way for advancement in library science in the era of dynamic information management. NC2023RLISA cached the attention of Library & Information Service professionals across India. All the contributions were refereed by the reviewer and the editors of the seminar proceedings. There after the papers were considered for presentation during conference and all presented papers are included in the proceedings. Following topics were given for paper writing.

- *Re-envisioning of Library Services*
- *Data Analysis, Interpretation, and presentation*

- *Information Services in agile era*
- *ICT applications in LIS Services*
- *Social Media and Networking in Libraries*
- *LIS Education for Next Generation*
- *Library Space*

We are thankful to large number of people who have been responsible for the success of the conference. The organizers are thankful to Prof. (Dr.) Himanshu Pandya, Vice Chancellor, Gujarat University; Dr. P. M. Patel, Registrar, Gujarat University; Prof. (Dr.) R. K. Chadha, Retd. Additional Secretary, Lok Sabha Secretariate, Govt. of India, Dr. Shailesh Yagnik, Advisor, MIMI and KEIC, MICA, eminent invited LIS Professionals of Gujarat and all the team members of Department of Library and Information Science and other numerous members of Gujarat University, for their continued support and encouragement to organize the conference from its beginning. The organizer also thankful to all the contributors for submission their papers and reviewers for their efforts.

We hope that the papers in the proceedings will build the interest of the library and information science professionals and academicians toward trending topics of this field. The conference shall prove to be a stepping stone in the future library and information field that will enrich the personal and collective memories and provide a stimulus for deliberations and discussion towards advancement of the profession and the field of library and information science. The conference success is incomplete until we express our gratitude to the delegates and speakers of invited lectures and authors of contributed papers.

Editors

Acknowledgement

The Department of Library and Information Science and University Library, Gujarat University, Ahmedabad, jointly organized a national conference on January 9th and 10th, 2023. The conference was titled "Re-envisioning Library and Information Services in the Agile Era". The main objective of this conference was to provide a platform for LIS professionals to interact, discuss and deliberate expert views towards widening the horizons of library and information science in the ever-changing dynamics of library and information services management.

The department is blessed with renowned libraries and information centres that provide futuristic information services to their active users. To enlighten the next generation of LIS professionals, the organizers invited experienced library practitioners to share their expert views and ideas on implementing the latest technology-based services.

We sincerely thank LIS Fraternity for sparing their valuable time and expertise among Gen Z.

They are:

1. Dr. Sanjay Banavar - Ahmedabad University Library
2. Dr. Nimesh Oza – DLIS, S. P. University
3. Prof. H.P.S. Kalra – DLIS, Punjabi University, Patiyala
4. Dr. Meghna Vyas – DLIS, S. P. University
5. Dr. Hayat Ahmed – CEPT University Library
6. Dr. Meena Suryavanshi – St. Xavier's Institute of Education, Mumbai
7. Dr. B. B. Chand – IIM, Ahmedabad Library
8. Dr. Shishir Mandaliya - S. P. University
9. Dr. Dhaval Bhatt – Parul University Library

We are also thankful to Dr. Rakesh Parmar, Dr. Yogesh Parekh, Dr. Priyanki Vyas, and Dr. Prayatkar Kanadiya, who extended their support in running the conference smoothly by taking on the responsibility of chairing the technical sessions.

Reviewers of all papers, contributors, and students in our department seek special thanks. We are grateful to Bookends Publishing (an imprint of Vista Publishers) for giving good shape to the novice ideas of various contributors, Guruji Computers for errorless Typeset, and Trident Enterprises for printing this book.

Finally, the organisers thank all JRFs and staff members of the department and Gujarat University Library for their tireless support in making this event successful.
