B

Chapter One: Introduction

Present Scenario-Work Life Balance	2
1.1. What is work?.....	2
1.2. What is Life?	3
1.2.1. Concept of Family and Life.....	3
1.3. Meaning of Work & Life Balance.....	4
1.3.1. Concept of work life balance.....	4
1.3.2. Definitions.....	5
1.3.3. Antecedents of work life balance.....	6
1.3.4. Importance of Work life balance in organizations.....	8
1.3.5. Consequence /outcome of work life balance.....	8
1.4. Work Life Imbalance	9
1.4.1. Antecedents of Work family Conflict.....	10
1.5. Work life balance sub construct WIPL, PLIW, WPLE.....	10
1.6. Managing Work Life Balance or Work Family Conflict.....	11
Turnover Intentions-A detailed Overview	13
1.7. Employee Turnover.....	13
1.7.1. Definitions for turnover.....	14
1.7.2. Reasons for Turnover	14
1.7.3. How to measure Turnover.....	15
1.8. Turnover Intention.....	15
1.8.1. Importance of identifying turnover intentions.....	16
1.8.2. Factors Effecting Turnover Intention (TOI) antecedents of TOI.....	17
1.8.3. Consequences of Turnover Intentions (TOI).....	19
1.8.4. What Organizations can do to reduce turnover intentions?.....	20
1.9. Global trends in WLB.....	20
1.10. Motivation for the Study.....	21
1.11. Problem discussion.....	22
1.12. Scope of the study.....	22
1.13. Major service sector industries in India.....	23
1.14. Sectors considered for the study.....	23
1.14.1. Why service sector?.....	23
1.14.2. Issues and challenges for employees working in service sectors.....	24
1.14.3. Turnover ratio for service sector companies considered in the study.....	25

Chapter Two
Work Life Balance and Turnover Intention Understanding :
Theoretical framework

2.1. Part A. Theories of Work life/family balance.....	32
2.1.1. The Boundary theory.....	33
2.1.2. The Border theory.....	33
2.1.3. The Conflict view of work family relation.....	34
2.1.4. The Compensation view of work family relation.....	34
2.1.5. The balance view of work family relation.....	35
2.1.6. Other Important theories.....	36
2.2. Models explained by researchers for work life balance.....	40
2.3. Theories in Support of Adoption of WLB Policies by Management.....	45
2.4. Part B. various theories of Turnover Intention.....	46
2.4.1. Theory of Organizational Equilibrium	46
2.4.2. Social Exchange Theory (SET).....	47
2.4.3. Herzberg two Factor Theory	47
2.4.4. Job Embeddedness Theory (JET)	48
2.4.5. Resource Based Theory	49
2.4.6. Expectancy Confirmation Theory initially.....	50
2.4.7. Equity Theory	50
2.4.8. Human Capital Theory	51
2.4.9. LMX theory	52
2.5. Models explained by researchers for turnover intention.....	52
2.6. Part C. models on work life balance and turnover intention.....	58
2.7. Chapter Summary	68
References for Chapter 2.....	69
